Dear Ms. Earl,

In response to your email below concerning the recent **IPRA Request # 18-195** we submitted to your facility on 5/14/18 requesting recreation records for the **period 9/14/2012 through 3/6/2014** at PNM North, Housing Units 1, 2, and 3, please be advised that we find this rather puzzling. You state in your email as follows: *"Please be advised that NMCD normally only keeps records of this nature for three years. The Department no longer has any responsive documents at this point. . ."*

Ms. Earl, this is not possible, as we recently received records of this same nature from you via Dropbox on 5/10/2018 (IPRA Request 18-165) for the period 9/13/2011 through 9/13/2012, which is prior to the period we are currently requesting.

We are hereby requesting that you not close this IPRA Request 18-195 and that you kindly review your records once again in an effort to provide the requested documentation.

Thank you for your attention and cooperation in this regard. Should you have any questions or wish to discuss this further, please do not hesitate to contact our offices.

Respectfully,  
Pat Sanchez
